Tesco Technologies Private Ltd

To Whom It May Concern,

My name is Jerin and I am interested in the software developer position at Tesco Technologies Private Ltd. I have experience with programming languages such as Python ,Java, and React Native. In addition ,I am familiar with HTML and JavaScript.

I am excited about this program because Tesco Technologies Private Ltd is a company that is constantly innovating and pushing boundaries. I believe that as a software developer at Tesco Technologies Private Ltd , I would have the opportunity to work on cutting-edge projects and really make a difference.

Furthermore, I am confident that I can be a valuable asset to Tesco Technologies Private Ltd .My programming skills are strong and I am always looking for ways to improve my knowledge and abilities. I am also a quick learner and adapt well to change.

Lastly, I am a team player. I understand that the best software is created when everyone works together. I am always willing to collaborate and contribute my ideas in order to create the best possible product.

Please do not hesitate to contact me if you have any questions or would like to discuss my qualifications further. I look forward to hearing from you.

Sincerely,

Jerin K Mathew
